

Diane

Printed Photos

This is the ONLY place, worldwide, these photo prints are available for sale.

Diane Yang was brought to Mike's studio by a pin-up calendar promoter. She's a professional model, actress and dancer, and Mike counts himself lucky for the chance to record her remarkable beauty. Diane is tall for someone of Asian descent, and it's mostly legs. She has flawless, baby-like skin, and a glorious smile that positively ignites a room.

She is intelligent and polite...but also bubbly. It is this last attribute, (coupled with a face that can sometimes appear to be that of a girl half her age) that gives her the appearance of being a true innocent. But Miss Yang is actually a street-smart New Yorker.

Mike hopes some day to bring her back to the studio for another session.
